When the races were started at 2:30 P. M. there were fully 6,000 persons on the grounds.

The first event was the one-mile novice race, in which great interest centred. It was run in heats, with ten competitors in each heat. The first heat was won handily by L. Schultze, of the N. Y. A. C., M. A. Carpenter, second, and C. Fisher, Harlem Whee,men, third. Time—2m. 51 2-5s.

In the second heat F. J. Martel broke his tire and got a fall. A. McIntyre, Riverside Wheelmen, won, closely pursued by T. F. Dunn, Star Cycle Club, S. Cox, Riverside Wheelmen, third. Time—2:50.

Third heat was won by James W. Tilford, Riverside W.; second, L. D. Adsit, N. Y. Wheelmen; third, C. K. Stevens, Greenwich W. Time—2:39-25. Tilford rode well and distanced his competitors. The one-mile, class A, for 2:30 men, was next run. The first heat was closely contested throughout. Ray Dawson, N. Y. A. C., made a fine spurt in the last lap, and got to the front, but was passed on the homestretch by Mont M. Scott, of the Creacent Wheelmen, Plainfield, who won by about a yard, Dawson accound, and Charles Granger, Riverside Whielmen, third. Time—2:41.

The second heat was won by G. F. Boyce, Tourist Wheelmen, of Paterson. The men rode well bunched till the last quarter, when Royce set up a terribe pace and won as he deased. E. A. Boffinger, Riverside Wheelmen, was secsaid, and W. I. Darmer, N. J. A. C. third. Time—2:34 2-5.

The final in the rovice was started hext. McIntyre and Carpenter fell hefore the turn was reached, and were out of it. There was a hot finish between Schultze and Dunn, who led the bunch by thirty yards. Schultze won by less than a yard, with Dunn second and Adsit third. Time—2:44 1-5.
